

WHY MEYERFIRE UNIVERSITY?

THE NEED

We don't just need warm bodies; our industry needs **knowledgeable, committed, always-learning, and continuously-growing** new talent:

Losing Expertise to Retirement

More System Complexity & Nuance

More Demand for Systems & Services

OTHER OPTIONS

Options exist, but they could have time constraints, need travel, or not be structured, comprehensive, or engaging. And could still be expensive.

WE NEED BETTER

We all need better. **“Training” is not PowerPoint**; nor is it getting handed a book. **Expectations in 2023 are simply higher**, especially from the younger generation. We **don't just need information**. We need **Tools. Resources. Practice**. We need to be learning **daily, all-the-time, year-round**. It should be **remote-work** friendly. **Accessible. Continuous. Mobile. Visual. Engaging. Anytime**. And it could be **fun**, too.

THE DIFFERENCE

We built MeyerFire University to be **entirely different** – because **our industry needs us to be better**. We are **online, on-demand**, and:

#1 ENTIRELY VISUAL

On-demand lessons and skill exercises built with literally **thousands (2,000+)** of visuals

#2 RESOURCE-FILLED

Our iOS & Android **App**, all our **tools, flowcharts, lists & cheatsheets** included

#3 FULLY-GUARANTEED

Unique to us: if you're not thrilled, we have a **full 100% money-back guarantee**.

WE HELP YOUR TEAM SHINE

We built MeyerFire University to **improve** fire protection practices worldwide. We aim to make **a real impact** on the trajectory of our industry. Today, we help **AHJs, Consultants, Contractors, Insurers, and Corporations** improve their team's **knowledge, capability, and productivity**.
